

MISSION STATEMENT: Clínica Tepeyac's Mission is to provide culturally competent health care and preventive health services for the medically underserved.

Now in its 23rd year, Clínica Tepeyac is a community health center providing integrated physical and behavioral health care to almost 5,000 individuals from across the Denver metro area annually. Clínica Tepeyac has distinguished itself as a dynamic organization dedicated to eliminating health disparities, with a particular strength serving Latino and immigrant communities. Clínica Tepeyac maintains an unwavering commitment to high quality patient care and continual quality improvement, and to treating each patient with the highest level of respect and compassion.

JOB SUMMARY: Medical Assistants are cross-trained to perform administrative and clinical duties. Medical assistants are instrumental in helping patients feel at ease in the clinic and often explain the physician's instructions.
