

Advanced Practice Provider - (NP/PA) – Denver, CO

Start Date: ASAP

Job Title: Advanced Practice Provider

Status: Exempt Non-exempt

Department: Clinic

Employment Type: FT PT Temp

Clínica Tepeyac located in beautiful Denver, Colorado is seeking an Advanced Practice Provider who would provide patient services; performs diagnostic and therapeutic procedures under the supervision of a licensed physician.

MISSION STATEMENT: Clínica Tepeyac's mission is to provide culturally competent health care and preventive health services for the medical underserved.

Tepeyac Provides culturally responsive health care and preventive health services for the medically underserved. Now in its 23rd year, Clínica has distinguished itself as a dynamic organization with visionary leadership, dedicated to promoting health equity for residents in the Denver Metro area.

Clínica Tepeyac is a \$4.5 million operation that, in August 2015, was designated as a Federally-Qualified Health Center (FQHC). Given the additional resources that come as an FQHC (financial, best practices, workflows, etc.) and a vision by 2020 to triple visits, add dental and pharmacy services, it is essential that we maintain Clínica's philosophy of treating patients as though they were honored guests in our home.
